

## Tools To Make Your Job Easier

- JOST New Zealand offer a selection of tools and gauges to make your job easier.
- Including simple 'No-Go' gauges in addition to rated lifting tools and fifth wheel testers.
- All tools are designed for common wear limits as well as JOST specific tolerance.
- Tools to suit king pins, locking jaws, coupling pins, tow eye bushes, ball couplings and more.

Contact your local JOST distributor for further details.
